

Lead Us Into War

Unleashed

All hail! Wellcome the son of Thor
A victorious return to Folkland shores
Commander of the warriors of the nine
Lead us into the battle of Odalheim

All hail the son of Thor
Lead us into war [x2]

We shall prepare for what is yet to come
Oh, by the Hammer under the sun
For Midgard, Kindred, folk and tribe
Lead us into the battle of Odalheim

All hail the son of Thor
Lead us into war [x2]
Lead us...

We shall prepare for what is yet to come
Oh, by the Hammer
Under the sun

All hail the son of Thor
Lead us into war [x4]
