

## Left For Dead

Unleashed

It is the time of new beginnings  
Here at the end of all things  
The tyrant will be sent to heaven  
To repent his every sin

Just left for dead  
The son of White Christ  
Oh, left for dead  
But will his soul ascend  
Into the heavens  
When his prayers end

Father, greet me in thy kingdom  
Sanctify me by your grace  
On this mountain of the dead  
My severed body will stay

Just left for dead  
The son of White Christ  
Oh, left for dead  
But will his soul ascend  
Into the heavens  
As the prayers end  
Will his soul ascend  
Stairway to heaven  
As prayers end

You know what brought you to the cross  
Dying for your own sins

Just left for dead  
The son of White Christ  
Oh, left for dead  
Will his soul ascend  
Into the heavens  
As prayers end  
Will his soul ascend  
Stairway to heaven  
Or be left for dead  
Left for dead  
Left for
