

The Highest Ideal

Unleashed

When you strive towards the best
The most heroic act of man
Something outstanding or grand

It is the highest ideal
The most noble deed of all
It is our Odin call

Hail Odin!
Hail Odin!

Any task that is at hand
That you know you have to win
To be victorious for your kin

It is the most potent goal
The aim for greatness above all
It is our Odin call

Hail Odin!
Hail Odin!

A blot for the journey onward
For the helpless ones who depend on us
Our battle axes held high
To war!

Odin the highest ideal
The most noble of them all
It is our Odin call

Hail Odin!
Hail Odin!
Hail Odin!
Hail Odin!
