Unleashed

I am the son of Thor, charter of the nine
The virtues that keep us in line
I am the Ás of the Midgard races
When your mind is in the darkest of places...

Call to me
And I will set you free
Call to me
And I will set you free

I am Vidaurgelmathul
Vidaurgelmathul

I am the light that will guide your way
The traditions at the Blót you celebrate
I am the force that you need to live
When you are about to fall, the strength I'll give...

Call to me
And I will set you free
Call to me
And I will set you free

I am Vidaurgelmathul
Vidaurgelmathul

I am Vidaurgelmathul
