

Where Can You Flee?

Unleashed

The hunt is on, for those who killed, our young and old
Through a vast, desert land, where nothing grows
Hey, where can you go?
Yeah, where can you flee?

Endless hatred
Desecrate your sacred

On a trail, of blood and death, and suicide
On their way, now into, the Sinai
Hey, where can you go?
Where can you flee?

Endless hatred
Desecrate your sacred
Endless hatred
Desecrate your sacred

As I ride in pursuit, day and night
Memories of those that were burnt alive
Hey, where can you go?
Hey, where can you flee?

Endless hatred
Desecrate your sacred
Endless hatred
Desecrate your sacred
