

Addict

Unlike Pluto

I'm an addict, ooh, ooh, ooh
Just for you, ooh, ooh
An addict, ooh, ooh, ooh
Just for you-oh-oh
Just for you-oh-oh

Feel the fire on my skin like it's burning me
Tension builds, adrenaline gets the best of me
And I don't know when to stop
Got to the top
Still not enough

It's never enough
Short of breath
Nowhere to go
Scared to death

I'm an addict, ooh, ooh, ooh
Just for you, ooh, ooh
An addict, ooh, ooh, ooh
Just for you-oh-oh
Just for you-oh-oh

Point break, I'm on the edge of oblivion
Skydiving, let the blood rush into my head
And while I fall through the clouds
No one around
Straight to the ground

It's never enough
Short of breath
Nowhere to go
Scared to death
(Today, today)

I'm an addict, ooh, ooh, ooh
Just for you, ooh, ooh
An addict, ooh, ooh, ooh
Just for you-oh-oh
Just for you-oh-oh

Just when you thought it was over
It starts all over again
Just when you thought it was over
It starts all over again

I'm an addict, ooh, ooh, ooh
Just for you, ooh, ooh
An addict, ooh, ooh, ooh
Just for you-oh-oh
Just for you-oh-oh

Just for you, uh, uh
Just for you-uh-uh
Just for you, uh, uh
Just for you-
