

## Adios

Unlike Pluto

So adios to the girl I knew  
Sayonara to the life you screwed  
Bon voyage, put the car in cruise  
Pick a fuckin' language  
Finally I'm done with you  
Finally I'm done with you

A tug of war between you and me  
I pull you in but the reel broke free  
Electrostatic love, no clarity  
We're repelling, two opposing enemies, yeah

You and I, won't go to waste  
You and I, won't go to waste  
You're crazy, I  
Don't want to stay  
You're crazy, I  
Don't want to stay  
I bid you adieu today  
That's it, I'm done, until the end

So adios to the girl I knew  
Sayonara to the life you screwed  
Bon voyage, put the car in cruise  
Pick a fuckin' language  
Finally I'm done with you  
Finally I'm done with you

Twenty-three we said our lives would never fade  
I never meant that I would give you everything  
You wanted me to fit the image in your head  
But you're taking life just through a blurry lens, yeah  
The last time, I ran away  
The last time, I took away  
A new life, seize the day  
A new life, I'm gonna change  
Listen to her from today, yeah  
Goodbye, salute, I'm through, yeah

So adios to the girl I knew  
Sayonara to the life you screwed  
Bon voyage, put the car in cruise  
Pick a fuckin' language  
Finally I'm done with you  
Finally I'm done with you

You can show your love in many ways but there is  
Only one way to say goodbye  
No one's ever perfect, I thought you were worth it  
Au revoir for the very last time

I run away to run away, yeah  
I run away to run away, yeah

So adios to the girl I knew  
Sayonara to the life you screwed  
Bon voyage, put the car in cruise

Pick a fuckin' language  
Finally I'm done with you  
Finally I'm done with you
