

As They Bloom

Unlike Pluto

Razor-sharp flowers as they bloom, bloom, bloom
Bloom, bloom, bloom, bloom, bloom, bloom, bloom, bloom
Delicate are the colors piercing through, through, through, through
As they bloom, bloom, bloom, bloom, bloom

Razor-sharp flowers as they bloom
As they bloom
Razor-sharp flowers as they bloom

What makes you miserable?
It'll creep up and destroy you, ooh-ooh
If you breathe it in like a fume in the toxic night
In the field with the beauty and the poison, oh

Don't let it seduce you
Don't let it sting you
Oh, it wants to fool you
It's deadly when you touch

Razor-sharp flowers as they bloom, bloom, bloom
Bloom, bloom, bloom, bloom, bloom, bloom, bloom, bloom
Delicate are the colors piercing through, through, through, through
As they bloom, bloom, bloom, bloom, bloom

Razor-sharp flowers as they bloom
(As they bloom)
Razor-sharp flowers as they bloom

What makes you vulnerable
Will always eat inside you, ooh-ooh
The prettiest petals are the sharpest thorns
They always know what they're looking for
Blinded by the beauty I don't know anymore
I don't know anymore, I don't know

Don't let it seduce you
Don't let it sting you
Oh, it wants to fool you
It's deadly when you touch

Razor-sharp flowers as they bloom, bloom, bloom
Bloom, bloom, bloom, bloom, bloom, bloom, bloom, bloom
Delicate are the colors piercing through, through, through, through
As they bloom, bloom, bloom, bloom, bloom

Razor-sharp flowers as they bloom
(As they bloom)
Razor-sharp flowers as they bloom

Oh, look around
How can something be so beautiful?
Oh, pierce me now
(Hey)

Razor-sharp flowers as they bloom, bloom, bloom
Bloom, bloom, bloom, bloom, bloom, bloom, bloom, bloom
Delicate are the colors piercing through, through, through, through

As they bloom, bloom, bloom, bloom, bloom

Razor-sharp flowers as they bloom

(As they bloom)

Razor-sharp flowers as they bloom
