

Black Lotus

Unlike Pluto

Black lotus
I wanna stay friends
Black lotus
I wanna stay fr-

Black lotus
I wanna stay friends
Black lotus
I wanna stay friends
Antisocial love
And I'm drifting away
Black lotus
Can we just stay
Friends

Mix the good with the bad
The flower with the black
I'm a weird type of hue
I wanna be close while
I'm far away from you
I'm far away from you

Black lotus
I wanna stay friends
Black lotus
I wanna stay friends
Antisocial love
And I'm drifting away
Black lotus
Can we just stay
Friends

Let the clock hit midnight
Not a soul that's insight
I have a void inside of me that I won't fill
Absent minded every day
I really wanna get close
While I'm far away from you

Black lotus
I wanna stay friends
Black lotus
I wanna stay friends
Antisocial love
And I'm drifting away
Black lotus
Can we just stay
Friends
