

# Can't Have It All

Unlike Pluto

You can't cry 'cause you can't have it all  
Collapse from the weight of it all  
Twisted how far you will go  
Like a one-way tornado  
You can't cry 'cause you can't have it all  
'Cause you can't have it all

Look at all the debris  
That surrounds all of me

Remnants of you and me  
Thinking 'bout what it could be  
Selfish mind of jealousy  
Just remember that

You can't cry 'cause you can't have it all  
Collapse from the weight of it all  
Twisted how far you will go  
Like a one-way tornado  
You can't cry 'cause you can't have it all  
'Cause you can't have it all

I was searching for your soul  
You were searching for my peace  
The hunt, in the end, destroyed everything  
The winds of your wickedness blow as you sing

Remnants of you and me  
Thinking 'bout what it could be  
Selfish mind of jealousy  
Just remember that

You can't cry 'cause you can't have it all  
Collapse from the weight of it all  
Twisted how far you will go  
Like a one-way tornado  
You can't cry 'cause you can't have it all  
'Cause you can't have it all

In all those years, I can't be the only one suffering  
From silence in your ears to screaming in your tears  
I can't be the only one

You can't cry 'cause you can't have it all  
Collapse from the weight of it all  
Twisted how far you will go  
Like a one-way tornado  
You can't cry 'cause you can't have it all  
'Cause you can't have it all
