

Cruel

Unlike Pluto

What is real
What is fake
What is beautiful
What is beautiful
Can I love
Can I hate
Nothing's beautiful
Nothing's beautiful

Oh I've been a fool
I'm lost in a pool
I'm drowning in rules
Too hot, need to cool

I've been tricked a thousand times
Never tried to compromise, ohhh
What is the Truth
Tell me the Truth
Stop being cruel

No time to heal
No time to wait
What is wonderful
What is wonderful
What is right
What is wrong
Nothings wonderful
Nothings wonderful

I feel like I'm blind
I'm barely alive
Don't know what to fight
My foe undefined

I've been tricked a thousand times
Never tried to compromise, ohhh
What is the Truth
Tell me the Truth
Stop being cruel
