

Don't Wait For Me

Unlike Pluto

Been so long
I'm never done
Til kingdom come
So damn long
It's everlong
Mmm
From it all
I'm scared to death
But I can't help but think that I could really live a better life

Don't wait for me
Don't wait for me
I'm fine
I just keep wasting all this, wasting all this time
And I keep chasing thoughts, but I never seem to settle on a chosen life
So don't wait for me
Don't wait for me
I'm fine

When life calls
I let it ring
I'm hiding
A withdraw
Scared to see
Mmm
After all
I'm doing fine, but I can't help but think that I could really live a better life

Don't wait for me
Don't wait for me
I'm fine
I just keep wasting all this, wasting all this time
And I keep chasing thoughts, but I never seem to settle on a chosen life
So don't wait for me
Don't wait for me
I'm fine

Don't wait, don't wait for me
Don't wait, don't wait for me

Don't wait for me
Don't wait for me
I'm fine
I just keep wasting all this, wasting all this time
And I keep chasing thoughts, but I never seem to settle on a chosen life
So don't wait for me
Don't wait for me
I'm fine
