

Doomed

Unlike Pluto

Blinded by obsessions that take all my time from you
Was it worth it? I think we both know that I am doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
Doomed, doomed, doomed

3am, I'm losing sleep, it's all I know, it's all I know
Where is my mind? Where is my mind?
I'm skipping time, I'm skipping time
And I'm splitting your heart right into two

Blinded by obsessions that take all my time from you
Was it worth it? I think we both know that I am doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
Doomed, doomed, doomed

The more I build, the more I break
Higher and higher it towers over me
My obsession made this delusion
And I love living inside of that world
Inside of that world
Inside of that world

Blinded by obsessions that take all my time from you
Was it worth it? I think we both know that I am doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
Doomed, doomed, doomed
