

# Everything You Need

Unlike Pluto

(You, you got everything that you need  
Everything that you need (hold on, hold on))

From the moment you were born  
You always had it all  
And I guess someone dropped the ball  
Cuz look where you have gone

You, you had everything, fuckin' everything  
You don't know (ooh, ooh)  
You had everything, threw it all away  
You don't know (ooh, ooh)

You, you got everything that you need  
Everything that you need (hold on, hold on)  
You, you've gotten everything that you need  
Everything that you need (hold on, hold on)

(You, you've gotten everything that you need)  
(Everything that you need, hold on, hold on)  
(You, you've gotten everything that you need)  
(Everything that you need, hold on, hold on)

Feel like, you were  
Unaware of all the things you had but squandered  
Feel like, you could  
You could live a dream, but you just fail to see it  
There is always another day, for you there's another round  
No day is ever too late, there's always a way out (ooh, ooh)

You, you got everything that you need  
Everything that you need (hold on, hold on)  
You, you've gotten everything that you need  
Everything that you need (hold on, hold on)

(You, you've gotten everything that you need) (You....)  
(Everything that you need, hold on, hold on) (You....)  
(You, you've gotten everything that you need) (You....)  
(Everything that you need, hold on, hold on)
