

# Flutter

Unlike Pluto

Can you imagine?  
The one you love can make it all go wrong?  
Come to your senses  
Show me your worst and I'll just see your best

Every sign tells me to turn away  
How can I move on from these butterflies?  
Oh, that's why

I always chase that feeling, feeling  
I don't care what I'm seeing, seeing  
I just care about the feeling, feeling  
That I have when I'm with...  
When I'm with you  
When I'm with you

Open your closet  
Skeletons all around but you leave goosebumps on my skin  
All on my skin  
That's what I stayed for  
No matter how many bad thoughts  
Goosebumps on my skin, on my skin

Every sign tells me to turn away  
How can I move on from these butterflies?  
Oh, that's why

I always chase that feeling, feeling  
I don't care what I'm seeing, seeing  
I just care about the feeling, feeling  
That I have when I'm with...  
When I'm with you  
When I'm with you

Goosebumps all on my skin  
All on my skin  
Goosebumps all on my skin  
All on my skin  
Your butterflies are fluttering away  
Oh, that's why

I always chase that feeling, feeling  
I don't care what I'm seeing, seeing  
I just care about the feeling, feeling  
That I have when I'm with you
