

# Frozen In Time

Unlike Pluto

I'm frozen, I'm frozen in time  
I'm frozen, I'm frozen in time  
I'm frozen  
Don't leave me behind  
I'm frozen  
Save, save, save, save me  
Save, save, save, save me  
Don't leave me behind  
I'm frozen

It's a cold, cold world  
With no second chances  
And I could search for years  
But my heart isn't moving with me

I'm frozen, I'm frozen in time  
I'm frozen, I'm frozen in time  
I'm frozen  
Don't leave me behind  
I'm frozen  
Save, save, save, save me  
Save, save, save, save me  
Don't leave me behind  
I'm frozen

I wish I could save you  
Wish I could have you grip my hands  
Fallin' fallin'  
Nothing I could do  
To bring you back

I'm frozen, I'm frozen in time  
I'm frozen, I'm frozen in time  
I'm frozen  
Don't leave me behind  
I'm frozen  
Save, save, save, save me  
Save, save, save, save me  
Don't leave me behind  
I'm frozen

I'm frozen, I'm frozen in time  
I'm frozen, I'm frozen in time  
I'm frozen  
Don't leave me behind  
I'm frozen  
Save, save, save, save me  
Save, save, save, save me  
Don't leave me behind  
I'm frozen

I'm frozen, I'm frozen in time  
I'm fro...  
I'm frozen, I'm frozen in time  
I'm fro...
