Unlike Pluto

Long ago  
Just like the hearse, you die to get in again  
We are so far from you  
Burning on just like a match you'll strike to incinerate

The lives of everyone you know  
And what's the worse you take  
From every heart you break  
And like the blade you stain  
Well, I've been holding on tonight

What's the worst thing I can say  
Things are better if I stay  
So long and goodnight  
So long and goodnight

Came a time  
When every star fall brought you to tears again  
We are the very hurt you sold  
And what's the worst you take  
From every heart you break  
And like the blade you stain  
Well, I've been holding on tonight

What's the worst thing I can say  
Things are better if I stay  
So long and goodnight  
So long and goodnight

And if you carry on this way  
Things are better if I stay  
So long and goodnight  
So long and goodnight

Can you hear me  
Are you near me  
Can we pretend  
To leave and then  
We'll meet again  
When both our cars collide

What's the worst thing that I can say  
Things are better if I stay  
So long and goodnight  
So long and goodnight

And if you carry on this way  
Things are better if I stay  
So long and goodnight  
So long and goodnight
