

# I'm Not Surprised

Unlike Pluto

A heart attack, a flash of light  
A storm that brews on the horizon  
I gave you spare keys into my mind  
You transformed into a thief into the night

I'm paralyzed  
Demoralized  
I'm paralyzed  
By your surprise  
All the worlds around me  
I didn't wanna see  
I'm paralyzed  
I'm not surprised

I keep the knife right in my back  
Just to remind me nothing ever lasts  
I don't need solace or revenge  
Just to make sure that it won't happen again

I'm paralyzed  
Demoralized  
I'm paralyzed  
By your surprise  
All the worlds around me  
I didn't wanna see  
I'm paralyzed  
I'm not surprised

Surprise

Stop  
Breathe  
Exhale all the bitter memories  
Absolution now, ay  
Stay  
Leave  
Trust your gut, not the hyperbole  
To-do-do-do dadada

I'm not surprised
