

Lavender

Unlike Pluto

Where to begin?
I'll play along if you pretend
I'm in the wind
In a season that never ends

A traveler
Drift in and out just like the air (ooh-ooh-ooh-ooh)
Spectacular
It's in the air like lavender (lavender)

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh (lavender)
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Find me
Off the coast of Italy
I'm hiding
Any trace of my history (history)

Too long
I've been going anywhere but home
Too gone
I have always been a rolling stone

A traveler
Drift in and out just like the air (ooh-ooh-ooh-ooh)
Spectacular
It's in the air like lavender (lavender)

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh (lavender)
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Running
Always thinking home can wait on me
It's funny
How this freedom really isn't free (isn't free)

Too long (too long)
I've been going anywhere but home
Too gone
I have always been a rolling stone

Oh, where to end?
I'll play along if you pretend (oh-oh-oh-oh)
Indifferent
Went round the globe back where I began (lavender)

A traveler
Drift in and out just like the air
Spectacular
It's in the air like lavender (lavender)

Ooh, lavender
Oh, lavender

(Lavender, lavender
Lavender)
