

## Misdiagnosed

Unlike Pluto

Whatchu talkin bout lady  
Sayin that you're gonna fail me  
Is it only cuz you hate me  
So I broke the rules  
And I'm over the abuse  
In hell in a classroom

Maybe I am dumb  
Maybe I am numb  
Maybe I'm just misunderstood  
Misdiagnosed, I'm a ghost, move on

Losing confidence lately  
Think my parents really hate me  
Why you gotta put a rank on me  
And when I lash out  
Because you always put me down  
The blame always sits with me

Maybe I am dumb  
Maybe I am numb  
Maybe I'm just misunderstood  
Misdiagnosed, I'm a ghost, move on

But time would tell  
No it ain't over, not even close, cuz it's my life  
I don't want to stay carrying your weight  
Your hate isn't going to define me

Maybe I am dumb  
Maybe I am numb  
Maybe I'm just misunderstood  
Misdiagnosed, I'm a ghost, move on
