

No Innocence

Unlike Pluto

Pour one out for my innocence
I ain't seeking any compliments
I ain't looking for constituents
Don't worry, don't worry about me
Let me tell you what the fuck this is
So there won't be any ignorance
I don't mean to interrupt your bliss
Don't worry, don't worry about me

Don't worry, don't worry about me
Don't worry, don't worry about me

It's a wrap for my innocence
I ain't fucking with those fake friends
Cuz they drain me of my confidence
Don't worry, don't worry about me
Making moves on the contraband
Chasing paper don't care where it is
I'm just living for the dividends
Don't worry, don't worry about me

Don't worry, don't worry about me
Don't worry, don't worry about me

I'm reaching for the sky
I'm reaching for a lie (lie, lie, lie, lie)
I'm reaching for a high
At least I'm gonna try (try, try, try, try)

Don't worry, don't worry about me
Don't worry, don't worry about me
