

Nothing Wrong With Me

Unlike Pluto

I feel like I don't know
What's going on
They took me for a fool
And then they won
And violated all that
I hold dear to me
Believing what I say
Don't even question me

There's nothing wrong with me
My dear
There's nothing wrong with me
My dear
There's nothing wrong with me
There's nothing wrong with me

At least you watch how many
How many times they lie
This isn't all in my head I know why
I don't want it to change
The way they all saw me
But now I feel I wasted
So much of my time

There's nothing wrong with me
My dear
There's nothing wrong with me
My dear
There's nothing wrong with me
There's nothing wrong with me

Cause I don't care what you
Think it's all make believe
Why don't we agree to disagree?
Cause I don't care what you
Think it's all make believe
Why don't we agree to disagree?

There's nothing wrong with me
My dear
There's nothing wrong with me

There's nothing wrong with me
My dear
