

Painted Dreams

Unlike Pluto

I keep it in the shadows (Never tell)
Down low (Never tell)
You don't know what I'm going through
Don't know what I'm going through
It's down low (I'm moving through)
Down low (I'm coming through)
You don't know what I'm going through
Don't know what I'm going

I'm gunning for my life (I'm gunning for)
I keep it all inside (I'm gunning for)
I'm tearing at the seams (I'm gunning for)
I'm painting you a dream
But it ain't real

Suffocated
Demotivated
Alienated (ah)
Aggravated
Feel automated
I'm devastated (ah)

I keep it in the shadows (Never tell)
Down low (Never tell)
You don't know what I'm going through
Don't know what I'm going through
It's down low (I'm moving through)
Down low (I'm coming through)
You don't know what I'm going through
Don't know what I'm going

I'm gunning for my life (I'm gunning for)
I keep it all inside (I'm gunning for)
I'm tearing at the seams (I'm gunning for)
I'm painting you a dream
But it ain't real

Ay, ay
Ay, ay

I'm gunning for my life (I'm gunning for)
I keep it all inside (I'm gunning for)
I'm tearing at the seams (I'm gunning for)
I'm painting you a dream (I'm gunning for)

I know this ain't good for me, good for me, yeah
Love this pain deep in me and I just can't keep (I'm gunning for)

I'm gunning for my life (I'm gunning for)
I keep it all inside (I'm gunning for)
I'm tearing at the seams (I'm gunning for)
I'm painting you a dream
But it ain't real

I'm gunning for my life (I'm gunning for)
I keep it all inside (I'm gunning for)
I'm tearing at the seams (I'm gunning for)

I'm painting you a dream (I'm gunning for)
