

Problems

Unlike Pluto

I find out
In the moment
This crowded room is filling me with doubt
I black out
In the open
So I stick to the walls, where I can live without

Cause I don't want to be someone's problem, Huuh
Cause I don't want to be someone's problem, Huuh

Huuh, Huuh, Huuh-uh
Huuh, Huuh, Huuh-uh

Cause I've been
I've been broken
I've been drownin' in a frozen sea of ice
And I know
The monsters inside my head
Are never gonna die

Cause I don't want to be someone's problem, Huuh
Cause I don't want to be someone's problem, Huuh

Huuh, Huuh, Huuh-uh
Huuh, Huuh, Huuh-uh
