

## Question

Unlike Pluto

I've got question marks  
All around me all around  
I've got question marks  
They surround me, they  
Question

You created this  
A bad picture with a nice canvas  
You left me on read  
Well I can read right through this

You can sit and feed the lies  
Buckle up for a collision ride  
You can try to confuse my mind  
Ask myself why

I've got question marks  
All around me all around  
I've got question marks  
They surround me, they  
Question  
Can you take a step away  
Question  
Can you take a step away  
Question

I've got a question  
Just how long will you stay  
I feel your heart and its drifting away  
Another question  
Will your mind ever be swayed  
A fairytale with a very bad ending

You can sit and feed the lies  
Buckle up for a collision ride  
You can try to confuse my mind  
Ask myself why

I've got question marks  
All around me all around  
I've got question marks  
They surround me, they  
Question  
Can you take a step away  
Question  
Can you take a step away  
Question

Will I be okay  
You forced me to push away  
Will I be okay  
If you don't answer the questions I go away  
I go away  
If you don't answer the questions then

I've got question marks  
All around me all around

I've got question marks  
They surround me, they  
Question  
Can you take a step away  
Question  
Can you take a step away
