Reset Rewind

Unlike Pluto

Go back
Far back
Before my regrets survive
Time it right and
Play it back oh play it back

Tangled life
Wondering why
Lightning strikes
Twice with glitches in the sky

Reset rewind
Reset rewind
Reset rewind
I wanna
Reset rewind
Reset rewind
Reset rewind
I wanna go back and say all of the right things
Reload my life
Reload my life
Reset rewind
Reset rewind

Erase
Bad times
Create
A timeline
With the pleasure
Heavier than all the pain

Tangled life
Wondering why
Lightning strikes
Twice with glitches in the sky

Reset rewind
Reset rewind
Reset rewind
I wanna
Reset rewind
Reset rewind
Reset rewind
I wanna go back and say all of the right things
Reload my life
Reload my life
Reset rewind
Reset rewind

Gotta click to push to start
I think this button is broken
Need to eject escape the dark
I'm living this over and over
Live like there's no tomorrow
Live like there's no do overs

Reset rewind

Reset rewind
Reset rewind
I wanna
Reset rewind
Reset rewind
Reset rewind
I wanna go back and say all of the right things
Reload my life
Reload my life
Reset rewind
Reset rewind
