

Rewind

Unlike Pluto

Let me be the first to say I'm sorry
It was just a dumb phase I went through
I'm just a silly girl who likes attention, oh yeah
It didn't have a thing to do with you

I saw the end from the beginning
If you're honest maybe you did too

We run around, we hide, we play pretend
(Run away, run away, let's pretend)
We tell each other lies to make amends
(Tell a lie, tell a lie, make amends)
But underneath the guise of being friends
I just want to rewind (rewind), can we rewind? Yeah

Rewind (rewind), yeah

Every now and then it gets confusing, yeah
Now we got a good thing going on, yeah
But I can't always keep up the illusion, no
Like I'm not thinking 'bout where we went wrong

Don't you ever wanna do it over?
Maybe I would be in love with you

We run around, we hide, we play pretend
(Run away, run away, let's pretend)
We tell each other lies to make amends
(Tell a lie, tell a lie, make amends)
But underneath the guise of being friends
I just want to rewind (rewind), can we rewind? Yeah

Rewind (rewind), yeah

I dream on the corner of indifferent and insane
But I'll take the blame, you can watch me fall
Who cares, we'll never make it off
This runaway train

We run around, we hide, we play pretend
(Run away, run away, let's pretend)
We tell each other lies to make amends
(Tell a lie, tell a lie, make amends)
But underneath the guise of being friends
I just want to rewind (rewind), can we rewind? (Rewind) yeah

Rewind (rewind), yeah

Rewind (rewind), yeah
