

Ricochet On My Mind

Unlike Pluto

If you could only read my mind, ooh-ooh-ooh-ooh
You don't know what I keep inside, ooh-ooh-ooh-ooh

Bottle it up like it's plastic
Avoiding anything drastic
Am I waiting on a moment too tragic?
Waiting till it's all alright
Waiting but it's never right

Something louder than screaming
Tension built in my breathing
Always holding my tongue

If you could only read my mind, ooh-ooh-ooh-ooh
You don't know what I keep inside, ooh-ooh-ooh-ooh

Yeah, thoughts ricochet on my mind
Bounce like a dome and airglide
Thoughts ricochet on my, my mind, yeah
Thoughts ricochet on my mind
Thoughts ricochet on my mind

What you're saying, I really don't like
Bottle it up then let it ignite
And I been waiting for a reason to burst at the seams

Something louder than screaming
Tension built in my breathing
Always holding my tongue

If you could only read my mind, ooh-ooh-ooh-ooh
You don't know what I keep inside, ooh-ooh-ooh-ooh

Darker than an endless night
Nothing ever comes to light
Ricochet in my mind, ooh-ooh-ooh-ooh

Yeah, thoughts ricochet on my mind
Bounce like a dome and airglide
Thoughts ricochet on my, my mind, yeah
Thoughts ricochet on my mind
Thoughts ricochet on my mind
