

# Slaughterhouse

Unlike Pluto

I get my revenge  
I gave it to you  
I gave it to you  
You get your revenge  
You gave it to me  
You gave it to me

We go back and forth  
Who's the villain?  
It's a slaughterhouse  
But we live in it

It's a slaughterhouse  
We are killin' each other 'til we die  
Until we die

What happens when we both tell each other lies  
I lie to you, you lie to me, I lie to you  
Oh man, it happens every time  
Every time I fall in love  
Every time I fall in love

We go back and forth  
We're both the villains  
It's a slaughterhouse  
But we live in it

It's a slaughterhouse  
We are killin' each other 'til we die  
'Til we die  
It's a slaughterhouse  
We are killin' each other 'til we die  
Until we die
