

## Someone New

Unlike Pluto

Where you at?  
Where are you residing?  
Better lift your head  
I know you've been hiding  
If you have a sign  
You better start waving  
I've got a lonely soul  
You could be saving

Where's my angel?  
Running out of time  
I just wanna be with you, be with you  
Until the day I die  
Where is my angel?  
Running out of time  
I just wanna be with you, be with you  
I just wanna be with you, be with you

Wide open  
Wide, wide open  
Wide open  
Wide, wide open  
Why don't you bring me someone new?  
Bring me someone new  
Wide open  
Wide, wide open  
Wide open  
Wide, wide open  
Why don't you bring me someone new?  
Bring me someone new

The missing piece  
I'm having trouble finding  
The pressure's building up  
Waiting for my diamond  
I really need to be  
Seen by your eyes  
I really need to feel  
You by my side

Where's my angel?  
Running out of time  
I just wanna be with you, be with you  
I just wanna be with you, be with you

Wide open  
Wide, wide open  
Wide open  
Wide, wide open  
Why don't you bring me someone new?  
Bring me someone new  
Wide open  
Wide, wide open  
Wide open  
Wide, wide open  
Why don't you bring me someone new?  
Bring me someone new

Wide open  
Wide, wide open (why don't they)  
Wide open  
Wide, wide open (come today)  
Why don't you bring me someone new?  
(Bring me someone new)  
Bring me someone new  
(Bring me someone new)  
Wide open  
Wide, wide open (why don't they)  
Wide open  
Wide, wide open (come tonight)  
Why don't you bring me someone new?  
(Bring me someone new)  
Bring me someone new
