

Supposed To Fall

Unlike Pluto

Mirror mirror on the wall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall

Dreams fade away
And I know I can make it through another day
Feel dazed
There's nothing left to lose so anyway

Tears in the rain
I'll drip away
Tears in the rain
I'll drip away

Mirror mirror on the wall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall

Crash land
Watch the impact
Life will shatter
Never mattered
And no space for my happiness

I can't see
Oh, I can't see...

Tears in the rain
I'll drip away
Tears in the rain
I'll drip away

Mirror mirror on the wall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall
Am I supposed to fall

Look out I'm falling now
Look out I'm falling now
