Waiting For You

Unlike Pluto

You've been far away
What have you got to say?
My heart is on display
But I'm not afraid

Yeah, I'm not afraid

While you've been getting busy
I've been getting dizzy
Trying not to keep you in mind

And now I enjoy devising
Suddenly enticing
Since you came back in my life

I've been waiting for you
Been waiting for you
Been waiting for you

I've been waiting for you
Been waiting for you
Been waiting for you

Do what you gotta do
Ya, you gotta do what you gotta do

Yeah, I've been waiting for you
Been waiting for you
Been waiting for you

You're left without a line
Was it by design
If what ya want is time
Don't go wastin' mine

Don't be wastin' mine

Well, it's starting to get hold
I'm not tryin' to be cold
I just think it's time that you see

Now I can't wait forever
Yes, it's now or never
Walk on you to get with me

I've been waiting for you
Been waiting for you
Been waiting for you

I've been waiting for you
Been waiting for you
Been waiting for you

Do what you gotta do
Ya, you gotta do what you gotta do

Yeah, I've been waiting for you

Been waiting for you
Been waiting for you
(Oooh, wooo)
(Hehehahaha)

I've been waiting for you
Been waiting for you
Been waiting for you

Oooh, yeah
I've been waiting for you
Been waiting for you
Been waiting for you

(Hehehahaha)
