Young nigga hold them pistol grips  
And I pack the shit

One day me and my gang gonna be in the foreign whips  
My fucking wrist broke, bitch, 'cause that water whip (ay, ay)

I don't fuck with nobody, everybody shoot it up  
Nigga tried to pull the Glock on me, like what you doing?  
Don't you see my niggas riding, get your life changed (Bitch)  
This a Johnny dang (Ice), lots of ice man (Ice)  
Put the lean in the Sprite and the ice in it (Ice)  
I'ma rob this nigga out the dice game  
I can't trust a soul, put that 40 on my nightstand  
Get your right hand man, better pipe down (Quiet, Plugg)  
When I see them niggas, it's on sight now  
Molly having all these bitches biting down  
Niggas trying to bite style, boy, that's my sound  
But that's slight work  
Fuck around, leave your face on your gang shirt  
I know that thing hurt  
Let my phone ring if her name on it  
Want to see some change in the trap, got a chain first
