

## By Any Means

UnoTheActivist

Yeah-yeah-yeah-yeah (Ah)  
(Uno, I killed it)

I was outside, getting Rick 'cause I want to  
I ain't stressing no bitch, she can do what she want to  
I can get lit, ho', do what I want to  
I can keep taking these drugs 'cause I want to, yeah  
She want wedding ring, yeah  
Can't buy that bitch, no wedding ring, yeah  
No love in the streets (What?)  
Gotta' get it by any means, yeah

Hop in that 'rrari, that 'rrari go, "Vroom"  
I chop out the top, it go, chopper, "Kazoom"  
I'm hop in that Lamb, in the foreign, pfft  
Ew, light it then smoke out the room  
You beefing with me then you gon' meet your doom  
Little nigga, don't think that it's coming so soon  
I might just sweep the whole block with no broom  
Like Mario, I'ma boot up on 'shrooms  
Try calling me up with somebody, I count it, I tell 'em that I  
cannot lose  
They sleeping on me, better wake up, 'fore I kill' 'em like why  
you still snooze  
I am not talking no Percocet, when I tell you I'll give you the  
blues  
Yeah, I tell 'em my feelings ain't hurting yet, I fucked up the  
y mood  
Uh, I try to keep it so real with people, but they tell me I'm  
just being rude  
Take all these drugs just so I could get rid of people, I'm the  
only one left in the room  
I'm popping these 'shrooms  
But I think it's afraid of people 'cause they cannot afford wha  
t I do  
I'm outside, I go turn up in the moon
