

Circles & Squares

UnoTheActivist

Yeah
(I get my work from a narco)
Uno, I killed it

Small circle, niggas squares (Yeah, what?)
Gotta keep it a hundon with me, player
I'm a product of a player
Pop this Percocet, I'm player
If it's up, it's stuck up there
Where's my money, bitch? I ain't playing
I can't play, bitch, I'm too player

Dick in her back and I'm gripping her hair
Face in the pillow, she starting to yell
I'm fucking that bitch, she on molly
She biting my ear, she told me, "Don't tell"
Her booty like burger, no Kenan and Kel
I hang with the nerds, I feel like Pharell
No water, but know that she putting in well
I'll put a hole in your back like a whale
Hell yeah, we gon' take these hoes back to the hotel
I'm 'bout to rock, but that what's gon' come out the pot, after I cook it she smell it (Yeah)
I'm talking snot, I'm gonna slime a little nigga if I give 'em the pack and he snail it

Small circle, niggas squares (What, dig?)
Gotta keep it a hundon with me, player
I'm a product of a player
Pop this Percocet, I'm player
If it's up, it's stuck up there
Where's my money, bitch? I ain't playing
I can't play, bitch, I'm too player

I gotta agree, this life ain't fair
Pop me another, show I care
On the South with poles, with polar bears
In the trap breaking down on scales and breaking down tears (Yeah, yeah)
Got a bad bitch, gave her heels, ain't talking about cures
Come in this bitch with a stick, real fly, no brooms
Ain't no Mario Kart but I'm gon' boot up when I'm on the 'shrooms
Gucci on my belt but it's a GG on there too (Yeah)
I'm having real ties, homie, like test tubes

Small circle, niggas squares (Let's go)
