

Ay, ay, huh (Plugs)  
Ay, huh? What? What?  
Ay, ay, ay, huh  
Huh

Got to keep going  
What the fuck does she want?  
Chopper on me, it'll blow your ass to next morning  
I be at the front door like, "What you order?"  
Wanna spread the word  
Heard you were working with the pigs, you a farmer  
Yeah, it's time to go  
12 on me, got a warrant  
Big band don't fold  
Gotta keep going had to let's a nigga go  
blowing shit, I had to let a nigga know (Pow)  
Stomp a nigga out then I put it on his neck  
coming at ya neck  
I be with with my dogs, I'm a motherfucking vet  
You ain't a fucking dog, you's a motherfucking pet  
She a motherfucking chiefting no set  
I'ma bring the heat and leave bro with no breath  
How you put your weight in the hood with no rep?

SA got that work  
SA got that work  
SA got that work  
SA got that work  
SA got that work  
SA got that work  
SA got that work  
SA got that work  
Owned a pound of the dro for the low  
678, all I know is blow  
SA got that work  
SA got that work  
SA got that work (Uno, I killed it)  
SA got that work

Where the drugs at? She love that  
I can put the Molly on her tongue while that pussy sweat  
Filling up her lung shorty gone with the ganja  
I be sipping lean, lean turn me to a monster  
Got Promethazine, pint after pint after pint  
Kick your status up nigga, pint after pint  
All these damn white Molly girls make you bite  
I be sipping lean, make a nigga night night  
Yeah, it's going down for the pound and the leaf  
Where them triple Cs make you bite down on your teeth  
Yeah, my eyes wide, eyes red 'cause the reefer  
I get on that lean, it make everything easy

SA got that work  
SA got that work  
SA got that work  
SA got that work  
SA got that work

SA got that work  
SA got that work  
SA got that work  
Owned a pound of the dro for the low  
678, man, all I know is blow  
SA got that work  
SA got that work  
SA got that work  
SA got that work
