

## Double Cup 4 Life

UnoTheActivist

Yea  
Yea  
Ay hold up Chase  
Damn Zach

Kick off every morning just by dirtying my sprite  
Tried to kick the cup but they know I'm double cup for life  
From rags to riches, how'd you did it without no riches  
The vibes spiritual, they find out they finally killing you  
I finally live feeling victorious  
This shit getting big keep it a secret like Victoria  
Gotta keep that stick in case this shit get real  
I never tell them what we did and you better not go back and re  
port it

This bitch head massaging me but I can't feel it I'm too high  
My plug keep on calling me, he sent them birds up in the sky  
I will not go back and forth with a pion that's poorer than me  
Nigga why would you try?  
I ain't deporting you out, I must've run over you and look you  
in the eye  
What's being spoken about?  
We know that's not how you living, boy you just might die  
I said that shit chill my nigga  
This shit get hot like the Fourth of July  
Started as a  
Young nigga going to school and bringing that fire  
I don't want to blast so I'm bringing that bitch  
How could I not?

Kick off every morning just by dirtying my sprite  
Tried to kick the cup but they know I'm double cup for life  
From rags to riches, how'd you did it without no riches  
The vibes spiritual, they find out they finally killing you  
I finally live feeling victorious  
This shit getting big keep it a secret like Victoria  
Gotta keep that stick in case this shit get real  
I never tell them what we did and you better not go back and re  
port it
