Know I'm down for my niggas, I'ma ride
All bullshit aside, them my niggas
Them my niggas, for my niggas I'ma slide
I ain't even tryna hear that shit, that shit quiet
Boy, you out flexing, bitch, you wasn't outside
2900, kick it on the Southside
Catch me on the scene and my jeans Number (N)ine
Gotta bad yellow bitch who wanna fuck me every time, every time
, every time

Have my back every time, every time
Help me grind, now I'm Yung Shyne
Now I'm out flexing in these VVS diamonds
Ain't no one-on-one, bitch, we jumping everybody
See me with the gang, wanna fuck on everybody?
Suck on everybody, be a slut for everybody?
I'm just like, "Okay, cool"
Bitch, I'm stunting on these thotties
If you niggas fuck with my partner
I might just catch a body, catch a body

Them my niggas, them my niggas, niggas, I'ma ride
All bullshit aside, them my niggas
Them my niggas, for my niggas I'ma slide
I ain't even tryna hear that shit, that shit quiet
Boy, you out flexing, bitch, you wasn't outside
2900, kick it on the Southside
Catch me on the scene and my jeans Number (N)ine
Gotta bad yellow bitch who wanna fuck me every time, every time
, every time

Every time, every time, every time
