

(My nigga Deltah in them pots)  
(Alecto)  
What? Ooh

Who ever thought I would win it?  
I wagered on them and they act and pretended  
I wanted to fuck on her twin (Yeah)  
I caught you, we not giving in  
I told you I wanted veneers since a smile worth a million  
All these feelings I got deep inside

They say you can see the soul through the eye-eyes  
I think I can see your ho in my eyesight, huh  
Very tempting, I just might  
But I can't touch your ho if she don't vibrate high, uh, huh  
Ever since I found myself, no, I can't fright  
It's like they all want a piece of me 'cause they all gon' bite

They trying to see what we about, yeah  
Well I done put his face in a blender  
I done killed the number one contender  
I done killed the number one pretender  
All the feelings and pain, I don't forget it  
I think I gotta go trade out my kidney  
Bad bit' coolin' in the space coupe (My nigga Deltah in them pots)  
Uzi, Uzi in the space coupe (Alecto)  
Yeah, and you know

They say you can see the soul through the eye-eyes
