

Hot Air Balloon

UnoTheActivist

Maino

Mute me, mute me, mute me

Oh, so I think I figured out what the problem is

I don't wanna hear myself

See, the problem is you thought it was over with

Matter fact, I might do all that myself

Act and Bear1Beezy, scene two

Yeah, what? (Goddamn, Rich)

Let's go (Yeah)

Keep that, keep all that

Money my backpack

Money my backpack right next to the Glocky

Flew to New York just to get a chop cheese

Real player, check out my posture

Hotsauce, he capital P (Woah, woah)

I just want Chrome on the rings

I just want Elliott rings

Chrome Heart link, can't even see (It's the plug)

Stand still just like a tree

Stand up, yeah, just for me

Stand up, roll in the air

I'm in a, uh

I'm in a hot-air balloon

I take a trip to Cancún

I'm finna fly on a broom

I'm not a witch, I'm a wizard

I gotta slurp it with sizzurp

She taste codeine when I kiss her (Mwah)

Don't call me daddy, I'm mister

I wanna glow up with some glitter

Mute me, mute me, mute me

I don't wanna hear myself

Matter fact, I might do all that myself

Yeah, what? (Yeah)

Keep that, keep all that

Chrome Heart link, can't even see

Stand still just like a tree

Margiela raincoat runway issue

I put this shit on like I'm sponsored by tissue

Gucci flip-flop in a hot-air balloon

In stadium, opening pitcher

Not my first time I done pictured your bitch

I hit this acid and turn to a glitcher

Thinking I love her, I don't need a bitch (Haha)

Dumb, but her ass dumber

I wanna fuck up her summer
She don't even talk, she's a hummer

(Keep that, keep all that)
