Ayo, what the fuck, what's up motherfuckers?
It's Travis Scott, A.K.A. La Flame, bitch
Shout out my nigga, A\$AP Ant, my nigga DJ Nick
Marino gang motherfucking taking this shit over, nigga
Spaz on these bitch niggas

Hold on little bitty bitch
Look at my diamonds, that shit looking sick
Look at my diamonds they look very frigid
They ice cold like they straight out the fridges
I'm in the back and yo' bitch, she is screaming
I'm in the back and the dick in her spleen
I don't give a fuck
Nigga I'm winning, I'm winning
These hoes calling me Charlie Sheen
But the little bitty bitch don't really want problems
No mathematics, I solve them
Snuck in the bitch and I got the revolver
It's best if you don't get involved
I'm fucking this bitch and I'm tearing her walls up
The bitch wanna fuck me, I'm balling
Bitch wanna fuck me, I'm balling
She ball Kaepernick and I'm calling, I'm calling
Bitch I know you wan' suck dick
So come here I put it dead in your mouth and your jaws
If that's your partner you better not cross
All of these bitches just wan' feel important
Canary yellow diamonds they get imported
I move discreet moving packs across the world
Back to back fucking these bitches
They said won't block you but you mad annoying
Bitch

Little bitty bitch
Little bitty bitch
Little bitty bitch
She see me up in the lights
Thinking I'm gon' change her life
Bitch, you better think twice
Bitch, you better act right
Little bitty bitch, I do not trust you
Little bitty bitch, I will not love you
Little bitty bitch, only got love for you
Little bitty bitch
They see me up in the lights
These niggas they see me they swipe
Seen these fuck boys these niggas on sight
They see my swag and they bite

I'ma come in like forever, bring a bitch
Chopper hit 'em and you know I let it rip
Sipping lean and you know I cop a script
I wanna fuck that ho
So I told that ho to come here
I can't even speak to other woadies in my ear
Fuck a double cup 'cause I sip it straight out the seal
Fuck her, disappear

Waiting on my broadie he waiting for her to appear
I can't even love her I told you 'cause she a squeal
Tryna boot up
Nigga try us and that work that you do
Niggas shoot us and that work that you do
Little bitty bitch better watch what you do
Chopper gon' hit I miss licking that fluid

Little bitty boo said she wanna choose
I'm like who what the hell is you doing
Yuh bitch

Little bitty bitch
Little bitty bitch
Little bitty bitch
She see me up in the lights
Thinking I'm gon' change her life
Bitch, you better think twice
Bitch, you better act right
Little bitty bitch, I do not trust you
Little bitty bitch, I will not love you
Little bitty bitch, only got love for you
Little bitty bitch
They see me up in the lights
These niggas they see me they swipe
Seen these fuck boys these niggas on sight
They see my swag and they bite
