Say hello to my lil' friend
(Hello)
I just might pop out on opps
In Double R stick you can't see through the tint
I just might pop out on top, pop off that top and I pay for her rent
I just might pop at a cop
Balenci too big I can't hop over fence
Please make it make sense
.45 Colt ain't talking no trench
You gotta learn to take risk
A snake ain't learn how to hiss
I dropped my nuts I been knew how to piss
A pot I work out da wrist
I beat the pot work on my wrist
(Phew phew phew phew phew phew)
The bullet don't miss
(Yeah) '
(Phew phew phew phew)
Bullet don't miss

I do my lil dance when I hit
Rick Owens my kick and I flip. (Okay, Yeahh)
They know the game over Lil' Flip. (Yeah)
Pull up Black and lil Hec. (Okay, yeah)
I got some Raf on neck. (Yeahh)
I just took me a lil X. (Yeah)
I place in her booty a X, you know what is next she wanna have sex
This is not checkers its chess
Say it with your chest or you will be Hexed

I come with a double breast
If I get arrested I will not confess
I teach a bih how to dress
Now she get a check for looking impressive

Yeah, know what I'm sayin
Tell her to put that shit on now she
Putting that shit on
