

Turn me up though

Whoa, bet you didn't know I'm slugging with the gas
Bet you didn't know my partner had my back (ay)
Bet you didn't know she topped me in the bathroom (whoa)
Bet you didn't know your girl was on my lap (Get it straight, o
oh)
Get it right, to be precise, I only want one night (Yeah)
Bet you didn't know I didn't have no feelings (Yeah, what, yeah
)
Bet you didn't know don't love you girl good riddance (Bang)
Bet you didn't know this gap was in my pocket (What)
That's a pocket rocket, try run up you get knocked quick (Bang)
Ice up on my neck it cold, leave a nigga froze, like a polar be
ar (Yeah)
Niggas see me, yeah I'm high in the sky, like a solar flare (Wh
at)
But don't go right there if you don't belong over there
All my watches they shining, glisten, glad their niggas gon' st
are
I don't give a fuck I'm at the top, you boys still climbing sta
irs (Ooh)
Since high school I had you boys by your underwear (ay)
Niggas they really hate but they should participate (Oh yeah)
Make it rain, precipitate, you niggas are in the way (What)
But I'm just going through the motions, you on my skin like som
e lotion (What)
Niggas in here know that I know it, well now you know it (What)

(Yeah, what)
Put that down I don't play
Put that down I don't play (What, yeah)
Put that down I don't play (ay)
Put that down (Ooh, ay)
Put that down (Yeah, what)
You put that down (ay)
100 now (What)

Bet you didn't know I snuck in with the gas (What)
Bet you didn't know my partner had that gas (No)
Bet you didn't know she topped me in the bathroom (Yuh)
Bet you didn't know I slung in with that gas, but hold that dow
n (Ooh, what)
Put that down please (Yeah, what)
Put that down please (Wait, what)
Put it down (Uh, what)
Put it down (Yeah, yeah)
Put it down. Put it down. Put it down (Ooh, what?)

Put it down (Ooh, what, yeah)
