She wanna boot up on Molly (Geek!)
I just might boot up on Molly (Molly!)
She want a Xan in her body (Xan!)
Anything she want I got it (Got it!)
Don't be afraid little bitch
She fell in love with narcotics
I pull up with the narcotics
I just narcotic her body
She geeked up she booted up
She geeked up she booted up
She geeked up she booted up
She geeked up she booted up
I just narcotic her body
I just narcotic her body
I'm in love with the narcotics
I'm in love with the narcotic

I just narcotic her body
Told her slow down I ain't started yet
She said molly and Xan with her starter pack
I'm like bitches that started that
She just told me she liked to get wasted
Not with it you'd rather not start with that
I'm gon' put one in your starter cap
I'ma leave you dead man where you started at
And I heard that you love to get geeked
And that molly turn you to a freak
And you know that I'm smoking OG
Try to run up that chopper on me
So you never try run up on me
And never try to get one up on me
I fucked the little bitch and she sleaze
She pop a Perc and gon' geek

She wanna boot up on Molly (Geek!)

I just narcotic her body
I just narcotic her body
I'm in love with the narcotics
I'm in love with the narcotic

I just might boot up on molly
I took a bitch on a Trolley
I put the racks up in Follies
Run up on me put holes in your body (Yuh. Wait!)
Hoes looking at me like there he go
I'm kicking shit me and Uno

Three thousand for a coat
Fuck the little bitch and I swear they do coke (Yuh. Wait!)
She want them Xans in her body
I just might shoot up the party
I just pull up in Ferrari (Wait. Yuh!)
Drinking on lean not Bacardi
Red in my hair like Jeff Hardy
Yeah turnt up on molly
