Shorty love Percocets, I love Percocets
Time for a Percocet, I pop a Percocet
Shorty love Percocets
Time for the Percocet, time for the Percocet (I feel it)
(Uno, I killed it)

Time for a Percocet, I pop a Percocet
Shorty love Percocets, I love Percocets
Now it's time to double my cup, fill it with some Hi-Tech
Yeah, I'm getting big high
Ooh, pop me a Percocet 10
Bad bitch got tits like Tina
Bad bitch joined my team (Dig)
Ooh, take my sack then spend it like that
Let them birds in the back take a bath
This damn Percocet got me itchin' my back
I got the rackades that's blue in my bag

I'm starting to go into Perc' mode, yeah (Ooh)
Fuck for an hour off XOs, yeah
I said, the bitch doin' lines like a barcode, yeah (Dig)
I'm dripping so hard you need snorkels, yeah (Yeah)
I got this drip from the North Pole, yeah (Yeah)
Came a long way from the Southpole, oh yeah
Take me a Percocet 10
Put her pussy on her friend
Ass fat but her waist so slim
Bitch bitin' on my wood like a termite
Give me head, made the Hummer hit the turnpike (Skrtrt)
Give me head then leave me on read

That "Perc Motherfucker" the ringtone, yeah
I just popped four Percs, we gon' blackout
Mix the pink Perc' 10 with the red bops
This gas got me higher than the treetop
Baby girl suckin' on that, going 'til her knees lock
I'ma sip clean, no re-rock
I'ma mix a little Percocet with the dirty
Popped three 10s, time to do a Perc' 30
Always geeked but a nigga ain't nerdy
I need a Perc', A\$AP Fergy

Fuckin' this ho, ain't no murking
She need the dick, she said that it's urgent (Yeah)
Percocet got me on lifted
Talkin' to your bitch like "Hit me and risk it"
Tell me she don't know why but the Perc' get her real wet
Told her little Perc' get me itchin'
I be on the grind, but I work like an insect
Baby ass fat, go to work, no engine
