I'm off a Xan or whatever  
Feel like the man or whatever  
A nigga who try me whatever  
Niggas can get it wherever  
I'm getting geeked that forever  
I'm killing this beat that's forever  
My whoadie gon' ride that's forever

'Cause I got the gas or whatever  
I sleep with the gat or whatever  
Baby I wanna do better, maybe I buy you some Maison Margielas  
I know these bitches see me shining  
I know these niggas they jealous  
I know it's gon' take a little time but watch how I put it together

I am like one of the greatest  
These niggas can't take it they hating  
I see the look on they faces, my time, ain't got no for waste  
little bitch get it together, try to finesse me you better do better  
This bitch she wanna fuck or whatever, but it's a wrap like a caterpillar  
She wanna come for the children, I wanna fuck with no feelings  
I feel like Damian Lillard, dunking these hoes I'm passing and stealing  
My diamonds come straight out the border  
I told my little hoe go get it  
Turning your back on your bros, you know that shit is forbidden  
You know your shit wasn't with it, she wanna hang or whatever  
Hang with the gang or whatever, you know I slang or whatever  
So I just might flip me a zip and cop some Balmain or whatever  
I just might buy me some wrist, and buy my bitch some Margielas

I'm off a Xan or whatever  
Feel like the man or whatever  
A nigga who try me whatever  
Niggas can get it wherever  
I'm getting geeked that forever  
I'm killing this beat that's forever  
My whoadie gon' ride that's forever

'Cause I got the gas or whatever  
I sleep with the gat or whatever  
Baby I wanna do better, maybe I buy you some ice and Margielas  
I know these bitches see me shining  
I know these niggas they jealous  
I know it's gon' take a little time but watch how I put it together

Said this gas got me high, feel like Tony Stark  
Three dollar signs all I'm looking for  
Bitch, Uno the Lord coming in stores  
Probably took over the shit but told your hoe too boring  
I can't fuck the hoe 'cause the hoe is boring  
And they say I was that nigga before I was born  
I'm a young grown boy, you a newborn  
A nigga try me, somebody please inform him  
I'ma pop a Xan and then I'll teleport  
I just bought some ice, your diamonds looking warm

I pull up an Audi, you a Honda Accord  
Had to roll my window down and serve you boy

I'm off a Xan or whatever  
Feel like the man or whatever  
A nigga who try me whatever  
Niggas can get it wherever

I'm killing this beat that's forever  
My whoadie gon' ride that's forever

'Cause I got the gas or whatever  
I sleep with the gat or whatever  
Baby I wanna do better, maybe I buy you some ice and Margielas  
I know these bitches see me shining  
I know these niggas they jealous
