

She wanna fuck me for some clout
This that same shit I've been talking about
Bitches bougie, bitches acting out
Get them hoes up out the house
But I don't care 'cause I got plenty hoes
Fuck you mean
This my squad, I don't have many bros
'Bout to work, I need it, vamanos
Andale
Blow a bag but I got plenty more

12 bitches, all bad
Black jag, (skrr!) very fast
That's a super
NASCAR, pistol pop
That's your ass boy
Pull up to the trap with a trash bag for the gas boy
Bougie bitch, but you know I'm finna smash hoe
2 door whip with my 40 on the dash
Niggas playing, get to spraying, get to blasting
Now his mamma praying 'cause her son just had pass
What you saying?
I'm the man with the Xan'
Niggas plotting, niggas watching
They be calling saying
Nigga watch you mean, credit card scam
Get your bitch hair did bitch

She wanna fuck me for some clout
This that same shit I've been talking about
Bitches bougie, bitches acting out
Get them hoes up out the house
But I don't care 'cause I got plenty hoes
Fuck you mean
This my squad, I don't have many bros
