Right leg stomp, left leg stomp
Right leg stomp, left leg stomp
Then you stomp 'em out, then you stomp 'em out

Then you stomp 'em out, then you stomp 'em out
Then you stomp 'em out, then you stomp 'em out

I'ma stomp 'em out, what's the fuss about?
You ain't really 'bout it, nah, you gettin' money? I doubt it
You niggas are sad, all in for the clout
Nigga try to run up on me I'ma air it out
Heard it from a word of mouth, choppa hit him blow his mouth
I'm gon' knuckle up, uh, knuck if you buck
Knock 'em out, then I stomp 'em out

Right leg stomp, left leg stomp
Right leg stomp, then you swing your arms
I'm gon' stomp 'em out, then you stomp 'em out
Then you stomp 'em out, then you stomp 'em out
Right leg stomp, left leg stomp
Right leg stomp, left leg stomp
Then you stomp 'em out, then you stomp 'em out
Then you stomp 'em out, then you stomp 'em out

When I see him I'ma bust that nigga head open
Choppa hit him, I ain't aimin' for no leg, oh
You niggas scared, yeah I know you niggas scared, ooh
When you see me swear to God you be dead, yah
Choppa blow a nigga head down
Nigga say he love the gun sound
I'ma run up on him, how he love these guns now?
Left leg stomp, leave 'em like a skunk
Nigga what you want, choppa or the pump?
Basement or the trunk? Trash can or the dump?
Niggas doin' it for fashion, they ain't really blood

Right leg stomp, left leg stomp
Right leg stomp, left leg stomp
I'm gon' stomp 'em out, then you stomp 'em out
Then you stomp 'em out, then you stomp 'em out
Right leg stomp, left leg stomp
Right leg stomp, then you swing your arms
Then you stomp 'em out, then you stomp 'em out
Then you stomp 'em out, then you stomp 'em out
