I'll tell the truth I'm telling the truth
The bitch she a swoop
That bitch she a swoop
You can't be caught out here looking like food
If you got money she looking at you, ay
The bitch out here scheming she tryna make a play
I'm on the block and I'm feeling like Kane
I'm on the block and I'm serving the Kane
I can't be caught up I can't be a lame
Ay

I walk in this bitch and I swoop
I whipped the dope out the bowl
She hit the dope then wipe her little nose
The gas is reeking my clothes
Walked in the bitch with codeine cologne
That bullshit I don't condone
Call up the plug if you need a loan

Told that little bitch there's mud in my cup
She thinking I'm drinking patron
Bitch if you don't fix your tone

She sucking me just like a danimal
Hold up little baby don't think I can handle ya
Fresh and leave ya'll for Banana boat
Whipping that dope like a cantaloupe
Whipping that dope they know I got antidotes
Been in their ear with antidote

Drinking that lean 'til I overdose
