Can you tell me how I feel when the yoppa you?  
Can you tell me how I feel when they won't save them?  
You know how I feel, but you don't know what to say to 'em  
We are not the same, so we cannot relate  
Don't know how to feel, I don't know what to say  
We are not the same, so we cannot relate  
Don't know how to feel, why I feel this way

It was over jealousy  
Niggas plottin', this is what you tellin' me  
Boy, you niggas looked up to me like your majesty  
I hang you little niggas out the balcony  
I remember when you said you was a friend of me  
Now when I see him, I'ma spray him just like oil sheen  
I don't know why these niggas act like I wasn't loyal to you  
I ain't step none of y'all niggas, that was forgery  
I'm writin' like poetry  
Yo' ho adore me, find the door, explore it  
'Cause she know I got more pumps than jersey shore  
Nigga what you want, the or the ?  
I ain't talkin' when I told you I'ma buss  
She gon' drop that down so you know that I cannot trust  
I remember I used to bring straps on the school bus  
Ice on my neck, I'm like an ice road trucker  
Know I am ballin', and I Milwaukee Buck ya'  
Slice on my arm, the way I'm flowin', need a doctor  
Nigga tryna run in no shoe, I'll sock ya'
